

What about the kids?

If children and youth are going to support the change in family life style to cut carbon emissions, they must be informed and engaged in the process of deciding which actions to take.

Watch:

“The Story of Stuff” – a 20 minute video you can find on-line on You Tube

Read:

Journey for the Planet by David Gershon (kids version of the Low Carbon Diet)

Global Warming and the Greenhouse Effect - Lawrence Hall of Science, UC Berkeley
