

Help UUs Support the Human Right to Water in California!

A few actions during April – September 2011 will make a big difference.

Each action may be a drop in the bucket, but together we are making history!!

- Sign me up for UULM's Climate and Water Justice Network e-news list
- I would like to be part the Human Right to Water Campaign in my congregation
- I can help with a letter writing and information tables
- I'd like to be part of a group working on the Human Right to Water study guide.
- I am interested in attending April 26 Human Right to Water Day at the Capitol
- I will join a group to visit my local legislator
- I am interested in my local water quality control board (Central Valley & Central Coast have important opportunities for action).
- I have contacts with a community leader who might be interested in supporting the human right to water: _____ (Who?)
- I have links to local environmental, environmental justice and/or health organizations who may be interested: _____
